MUDA Meeting Held

Mysuru, Nov. 30 (RK&BS)- The Board meeting of Mysuru Urban Development Authority (MUDA) chaired by its Chairman and the Deputy Commissioner of Mysuru, G. Lakshmikanth Reddy was held today for the second time within a span of one month, after the DC Lakshmikanth Reddy took over as the Chairman of MUDA.

The meeting began at 11.30 am at the meeting hall of MUDA and as anticipated, there were discussions over the recent process of handing over of 240 residential layouts to various local bodies — Mysuru City Corporation (MCC), Hootagalli City Municipal Council (CMC), Bogadi, Srirampura and Rammanahalli Town Panchayats — that was completed on Friday.

Some of the members took exception to the initiation of handing over of layouts, with 700 more underway and expected to be completed by December, as some of them remain to be fully developed.

*Deputy Commissioner G. Lakshmikanth Reddy (extreme right), **who is also the MUDA Chairman, presiding over the MUDA meeting in city this morning. MUDA Commissioner A.N. Raghunandan** (extreme left), **MLAs, MLCs and MUDA officials attended the meeting.***

If such layouts are transferred to the jurisdiction of local bodies which are already facing revenue crunch, they will be helpless to take the development works further, the members argued.

However, some of the MUDA officials explained that the role of MUDA is restricted to **plan approval authority,** while it is the duty of local bodies to issue khata, collect tax and provide other related services. It will help in augmenting the revenue sources to facilitate the development works, they explained.

The meeting is expected to discuss about the pending approvals for development of layouts, release of sites already allotted to the applicants by MUDA approved private layouts and other subjects of importance.

During the previous meeting held on Nov. 7, MLA T.S. Srivatsa had raised the issue of illegal allotment of sites under 50:50 scheme by MUDA, demanding the cancellation of all those sites. The proceedings of the meeting have been sent to the Government, it is said.

MLAs G.T. Devegowda, Tanveer Sait, T.S. Srivatsa, K. Harishgowda, Darshan Dhruvanarayan and Ramesh Babu Bandisidde Gowda, MLCs A.H. Vishwanath, C.N. Manjegowda, Madhu G. Madegowda, K. Vivekananda, Dr. D. Thimmaiah and Dinesh Gooligowda, MUDA Commissioner A.N. Raghunandan, Secretary Prasanna Kumar, City Police Commissioner Seema Latkar and others were present.

The meeting was in progress when we went to press.

MUDA 50:50 sites scam

No Police complaint yet; Officials, Legislators silent

Mysuru, Nov. 30 (BCT)- A land allotment scam worth thousands of crores of rupees has occurred in Mysuru Urban Development Authority (MUDA) under the guise of the 50:50 ratio site distribution scheme, incentive sites and alternative site allocations.

Despite the State Government stepping in to initiate investigations — Lokayukta, Justice P.N. Desai One-Man Judicial Commission and the Enforcement Directorate — the inaction and silence of key officials and elected representatives are glaring. **Shockingly, no Police complaint has been lodged to punish the guilty till now, even months after the scam broke.**

Srivatsa slams MUDA inaction

I will speak at today's meeting: G.T. Devegowda

Mysuru, Nov. 30 (RK&BCT)- Reacting to the silence of Legislators and officials over the inaction at MUDA, KR MLA T.S. Srivatsa told *Star of Mysore* ahead of today's MUDA meeting that he had raised the issue during the last meeting.

"I condemned the inaction in the strongest terms. I clearly told the Mysuru DC (who is also MUDA Chairman) to identify the officials and politicians involved in the illegal activities within MUDA and recommend immediate action to Government," he said.

"The proceedings of the last meeting were sent to State Government, urging it to take action against the guilty. If Government fails to act now, we may be forced to shut down MUDA. In today's meeting, I will once again demand action against those responsible and push for the recovery of all illegally allotted sites," he added.

MLA G.T. Devegowda also expressed his intention to seek action against those responsible for the massive loss to MUDA, estimated in thousands of crores of rupees. "I will speak at today's meeting and press for action," he said.

Muthuswami Dikshitar's Day in city tomorrow

Vid. Prashanth *Vid. Janardhan* *Vid. Raghunandan* *Vid. S. Swamy*

Mysuru, Nov. 30- Sri Thyagaraja Sangeetha Sabha Charitable Trust will be observing Sri Muthuswami Dikshitar's Day tomorrow (Dec. 1) at Sri Prasanna Parvathi Kalyana Mantapa, V.V. Mohalla, Mysuru.

Muthuswami Dikshitar (1775-1835), one among the Music Trinity is credited with contributing a number of compositions which are treated as gems of Karnataka classical music repository. His masterly creations are very popular and widely sung in concerts.

The programme will commence at 9.30 am with senior musicians of the city and their disciples offering tributes to Dikshitar by rendering his compositions.

A vocal concert will be presented by senior vocalist Vid. N.R. Prashanth at 11 am.

Vid. S. Janardhan, Vid. H.L. Shivashankaraswamy and Vid. Raghunandan Rao will provide instrumental support on violin, mridanga and ghata respectively.

EDITOR'S BOTTOMLINE

HAVE PATIENCE, GIVE TIME AND WAIT FOR GROWTH: ***Most of us have planted a seed in a good mix of soil and watered it with love and care. Fertility levels in the soil notwithstanding, we have tendered with utmost care by adding the right manure and watering at the right time and quantity. Almost all of us have run there the next morning waiting with bated breath to be surprised — has the seed sprouted? And then the next day, and again the next day. Haven't our faces lit up like a thousand lamps when we see the sprout (chiguru in Kannada) with a young leaf that is a bright green?***

This plant seed sprouted in a few days, but what about the human embryo which is the seed that is slowly but steadily making progress in its mother's womb? At the first instance it taught us patience — for the child as well as for the parents to wait for nine months. The embryo that slowly developed into a foetus takes its own time, approximately 36-38 weeks to take its first peek into the outside world.

Why did it take whatever time it took for the seed to sprout in order to grow into a sapling, so also for the human embryo to emerge crying out to announce its arrival? It was going through a time for preparation, to face the vagaries of life since it gets planted in the midst of an ephemeral world — an ever-changing one with its own tunes and rhythms.

A right question to ask is what was the seed / embryo doing while in waiting? Waiting comes with its own challenges. The embryo as one of God's creations was preparing within with inner growth. It is an introspection process for growth-within being still closer to The Ultimate Truth and not exposed to the outside world. All of the adult characters are hiding inside the seed in an unmanifested form. They manifest over a period of time in a variety of forms with flavours, when the worldly scenes has its bearing to inspire the growing-being by moulding its behaviour.

The maxim reads, "The child is the father of the man." It can be no exaggeration if we term our discussion in this article — "The seed as the unmanifested of the manifested entity." *— Prasanna S. Harihar in Deccan Herald*

Company to launch human washing machine

Osaka: Showerhead maker Science Co. has developed a cutting-edge washing machine for humans aptly named "Mirai Ningen Sentakuki" (Human Washing Machine of the Future).

At the 1970 Osaka Kansai Expo, Japanese tech giant Sanyo Electric Co., now Panasonic Holdings Corp., launched the world's first-ever human washing machine. Its futuristic egg shape and bubble technology captured people's imagination and drew huge crowds to the manufacturer's booth. Yasuaki Aoyama was one of the many people who got to see Sanyo's washing machine in action. He was only a curious fourth-grader at the time, but the feeling of awe stuck with him all through adulthood and today, as the Chairman of Science Co., a company specialising in bathtubs and showerheads, he is preparing to launch his very own modern washing machine for humans.

Largest Office building surpasses the Pentagon

Surat: The newly-opened Surat Diamond Bourse at Gujarat, is a massive office complex made up of nine rectangular buildings interconnected through a central "spine".

For 80 years, the Pentagon held the title of the world's largest building, but it was recently dethroned by the Surat Diamond Bourse, a massive diamond-cutting and trading hub, that exceeds the Pentagon's area of 66,73,624 sq. ft. by almost 55,000 sq. ft. The sprawling 15-story complex covers more than 35 acres of land on the outskirts of Surat, in Gujarat State and features over 4,700 office spaces and workshops, as well as 131 large elevators that make traveling between the nine buildings of the Surat Diamond Bourse a breeze. Interestingly, surpassing the Pentagon was never the plan; instead, Indian architecture firm Morphogenesis just struggled to meet the huge demand for space.

Underground cable junction box damaged

Sir,

I would like to draw attention to a serious issue near the Kuvempunagar bus stand, where a damaged underground cable cover (similar to a cable junction box) dangerously protruding and lying in the middle of the road.

This fragile cover, prone to frequent breakage, has been posing a hazard to daily commuters. This problem has persisted for 4-5 years and instead of resolving the issue, the authorities have only placed a barricade on top of the cable, leaving it unattended.

This negligence has caused significant inconvenience for vehicles and pedestrians, disrupting the flow of traffic and creating a risk of accidents. While commuters have become accustomed to this daily ordeal, it is unacceptable that such a crucial safety issue remains ignored for so long.

I urge the authorities concerned to address this matter immediately by replacing the cable cover with a sturdy and permanent solution. It is time to prioritise the safety of the tax-paying public and ensure the smooth movement of traffic in this busy area.

BJP's rift wide open
Vijayendra loyalists seek MLA Yatnal's expulsion

City BJP President L. Nagendra addressing reporters at a private hotel in city this afternoon as District President L.R. Mahadevaswamy, former Ministers B.C. Patil, M.P. Renukacharya, Katta Subramanya Naidu and other BJP leaders look on.

Mysuru, Nov. 30 (BLU&DM)- A group of former BJP Legislators in Karnataka, led by former Minister M.P. Renukacharya, has urged the High Command to expel senior MLA Basanagouda Patil Yatnal for his open criticism of the leadership, especially the State President B.Y. Vijayendra.

Renukacharya, a staunch ally of State BJP Chief B.Y. Vijayendra, has ramped up his criticism of Yatnal, questioning his absence during the massive Bengaluru-Mysuru Padayatra in August, which focused on alleged scams within the Congress Government.

Addressing reporters at a private hotel in the city this afternoon, Renukacharya accused Yatnal of being a Congress agent, allegedly acting under instructions to tarnish the reputation of Vijayendra and his father, former Chief Minister B.S. Yediyurappa.

Renukacharya called Yatnal and his supporters "Mir Sadhaks" and stated that had Yatnal focused his criticism on Siddaramaiah and Congress over the MUDA scam, he would have garnered support. "Instead of challenging the Congress Government, Yatnal has struck a deal with them," Renukacharya claimed, also accusing Yatnal of making disparaging comments about the 12th Century Social Reformer Basavanna, his (Yatnal) remarks should be condemned by Seers from various Mutts.

Renukacharya further asserted that he had received life threats since the previous night but made it clear that he would not be intimidated.

Former Minister Haratalu Halappa also spoke, emphasising that he had prayed to Goddess Chamundeshwari to rid the party of its internal & external enemies.

He pointed out that young leaders, including Vijayendra, are leading several State BJP units and pushing for progress, particularly in addressing issues like the MUDA scam.

Halappa reiterated that Vijayendra's efforts have kept CM Siddaramaiah and Congress leaders on edge, ensuring that corruption and scams are brought to justice.

The press meeting also highlighted the unrest among some party workers, who expressed frustration over Yatnal's repeated defamatory remarks against both Yediyurappa and Vijayendra.

Calling for Yatnal's immediate expulsion from the BJP, workers questioned why the party leadership had not yet acted against him, despite his ongoing behaviour that they deemed to be aligned with Congress interests.

Renukacharya accuses Sonia, Rahul Gandhi of backing Yatnal

Bengaluru, Nov. 30 (DM)- Accusing Congress leaders Sonia Gandhi and Rahul Gandhi of backing dissident BJP MLA Basanagouda Patil Yatnal to weaken the BJP in the State, former BJP MLA M.P. Renukacharya lashed out at Yatnal for undermining the party's prospects by aligning with Congress.

Speaking to reporters in the State Capital yesterday, Renukacharya, a close confidant of State BJP Chief B.Y. Vijayendra, labelled Yatnal a "blackmailer" and criticised his actions.

He challenged Yatnal to expose former Chief Minister D.V. Sadanandagowda, as Yatnal had previously threatened and questioned Yatnal's true contribution to the party.

"Yatnal is acting as a Congress agent, following their instructions. Why is Yatnal running a separate campaign over the Waqf Board issue when the BJP has already formulated plans to confront Congress on the matter?" Renukacharya asked.

Renukacharya further emphasised that the Davangere Conference planned for the first week of December, aimed at supporting Vijayendra, was designed to strengthen the party. He confirmed that top National BJP leaders would be invited to the event.

Blaming Yatnal for the defeat of Bharath Bommai in the recent Shiggaon by-polls, Renukacharya also pointed to Yatnal's role in the party's poor performance in the by-polls across all three Assembly segments.

He suggested that Yatnal's defamatory remarks against his own party leaders had negatively influenced the electorate.

Supporters pray at Ch. Hill Temple

We offered prayers for 'Shatru Samhara', divine intervention, says Ex-Minister B.C. Patil

Mysuru, Nov. 30 (BLU&DM)- Amid ongoing internal discord and dissident BJP leader and MLA Basanagouda Patil Yatnal continuing his criticism of senior party figures, particularly State BJP Chief B.S. Yediyurappa and his son, B.Y. Vijayendra, a large contingent of former BJP Ministers and Legislators, supporting Vijayendra, visited Chamundi Hill Temple this morning to offer special prayers to Goddess Chamundeshwari, seeking her blessings to eliminate their 'enemies.'

Former Minister B.C. Patil, speaking after the prayers, remarked that the growing menace of enemies within and outside the party prompted their visit to the temple for the purpose of "Shatru Samhara" (destruction of enemies).

He emphasised that Chamundi Hill is the sacred site where Goddess Chamundeshwari defeated the mythological demon Mahishasura, and they sought the same divine intervention to rid the party of those tarnishing its image.

Patil dismissed Yatnal's claims, asserting, "Yatnal does not have any supporters. His attacks on Yediyurappa and Vijayendra are purely for publicity. If Yatnal believes targeting top BJP leaders will elevate his status, he is wrong. The party's High Command is observing everything, and Yatnal's time in the party may soon come to an end. Hardly a few workers are participating in his campaign against the Waqf Board. Just like in any family dispute, the party is waiting for the right moment to take a firm decision."

Renukacharya, a key leader supporting Vijayendra, added that Yatnal's expulsion from the party was imminent. "The number of enemies within the party is growing, and they need to be dealt with swiftly. Our prayers at Chamundi Hill are for the destruction of these internal threats," he said, reiterating that Yatnal's expulsion was only a matter of time.

As many as 38 former Legislators and former Ministers were part of the group, including M.P. Renukacharya, Katta Subramanya Naidu, B.C. Patil, Y. Sampangi, Roopali Nayak, Ashok Katwe, B. Harshavardhan, Virupakshappa Ballari, Gangadhar Nayak, Gundappa Vakeel, Sunil Hegde, M.D. Lakshminarayan, Venkatamuniyappa, Madaal Mallikarjuna, Somashekar Reddy, Srinivas Sajjanar, Sidlaghatta Rajanna, Muniswamy, Basavaraj Nayak, Suresh Marihal, S.V. Ramachandra, C.S. Niranjan Kumar, Belli Prakash, Masala Jayaram, Tarikere Suresh, Paranna Munavalli, L. Nagendra among others.

MUDA 50:50 sites scam

Lokayukta Police grill Kesare land owner Devaraju again

Mysuru, Nov. 30 (BLU&BCT)- Lokayukta Police investigating the allotment of 14 sites to Chief Minister Siddaramaiah's wife B.M. Parvathi, yesterday conducted a lengthy interrogation of J. Devaraju, the fourth accused in the case.

Devaraju

Devaraju is the original owner of the 3.16-acre land in Kesare under Survey Number 464 which he had sold to B.M. Mallikarjunaswamy, Siddaramaiah's brother-in-law. Mallikarjunaswamy later gifted the land to his sister Parvathi. In exchange for this land, Parvathi got 14 sites in Vijayanagar.

While Siddaramaiah is Accused 1 in the case, Parvathi is Accused 2 and Mallikarjunaswamy is Accused 3.

Devaraju arrived at the Lokayukta Office on Dewan's Road at 10.30 am, where he was questioned until 4.45 pm.

This marked the second round of questioning for Devaraju, who had previously been interrogated by the Lokayukta officials.

During the six-hour session, investigators gathered detailed information about the sale of 3.16 acres of land in Kesare Survey No. 464 to Mallikarjunaswamy.

After the interrogation, Devaraju told reporters that he had been questioned about the land sale and had provided all the required information, supported by documentary evidence.

However, he declined to comment on the 'fraud' case filed against him by his brother Mailaraiah's daughter, Jamuna, in the Court, subtly suggesting that they were the ones responsible for the fraudulent activity. Devaraju, accompanied by one more person, left the Lokayukta Office premises in an autorickshaw.

Panel finds sub-standard IV fluid reason for 5 women's death

Ballari, Nov. 30 (Agencies)- The death of five women in post-partum period at the District Government Hospital, within a short span of 15 days is attributed to the substandard Intravenous (IV) fluid (Glucose) that was administered to them during the delivery through C-section (Cesarean).

As the news of frequent deaths of women after delivering babies at the District Hospital here hogged limelight, leading to a huge debate, the State Health and Family Welfare Department, that took note of the situation, had formed a Expert Committee of three doctors to find out the reasons behind the series of deaths.

The Committee, including Dr. Savitha, Dr. Bhaskar and Dr. Harsha, had conducted the probe and submitted a report to the Government, with accurate findings related to sub-standard IV fluid that caused the death of women.

On the other hand, the State Health and Family Welfare Department has directed all the Government Hospitals to not to use IV fluids for now.

It may be mentioned that, seven women who had delivered babies, had experienced sudden complications in their health condition on Nov. 7. Five of them died within 15 days of their deteriorating health condition, triggering a huge debate in the State.

Rs. 20 lakh bribe for bar and restaurant licence

Mandya Excise Inspector suspended; action recommended against DC

Mandya, Nov. 30 (BCT)- The Excise Department has cracked the whip following bribery allegations involving Excise Deputy Commissioner Ravi Shankar and Maddur Excise Inspector Shivashankar Aaradhya, who are accused of demanding a bribe of Rs. 20 lakh to process a bar and restaurant licence.

The State Excise Commissioner in Bengaluru has issued orders to suspend Inspector Shivashankar Aaradhya while recommending the suspension of Ravi Shankar in connection with the bribery case involving Congress worker Puneet.

Puneet, who had applied for a CL-7 licence online in his mother's name to open a bar and restaurant near Chandopura in Mandya, provided audio and video evidence to the Lokayukta SP to support his claims. His application was initially rejected by Ravi Shankar and Shivashankar Aaradhya, who cited the lack of necessary permissions.

After the rejection, Puneet visited the Excise Department office in person to resolve the issue. During this visit, Inspector Shivashankar Aaradhya allegedly demanded a bribe, claiming it was necessary to secure approval from higher officials. Initially, a bribe of Rs. 40 lakh was demanded, but after negotiations, the amount was reduced to Rs. 20 lakh.

Frustrated by the alleged corruption, Puneet approached the Lokayukta SP and filed a formal complaint against Ravi Shankar and Shivashankar.

In response to media reports about the incident, the Joint Commissioner of the Mysuru District Excise Department submitted a report to the State Excise Commissioner in Bengaluru, prompting further investigation into the case.

Only Siddaramaiah can save Lalitha Mahal

The Karnataka Cabinet has decided to invite private players for the repair, restoration and management of Lalitha Mahal Palace Hotel. A long-awaited decision, it raises hopes that this grand heritage structure may finally receive the care it deserves.

Many Mysureans feared that by the time our Government finally decides to completely lease or restore Lalitha Mahal Palace, it will no longer be worthy of restoration and instead may need reconstruction.

This fear is not unfounded, considering what has happened to a couple of heritage structures in Mysuru after the Government waited too long — they collapsed.

In 2012, the 130-year-old Lansdowne Building collapsed. In 2016, a part of the 136-year-old Devaraja Market collapsed. In 2022, a portion of the 95-year-old Vani Vilas Market and a part of the 106-year-old Maharani's College collapsed. We feared Lalitha Mahal Palace was next.

But will this new hope of restoration truly come to fruition? The wait has been on since 2000 when late Union Minister Arun Jaitley, then the Disinvestment Minister, wanted to give up Lalitha Mahal Palace, which came under ITDC (India Tourism Development Corporation). It didn't happen.

Fifteen years later, in 2015, the then Union Tourism Minister Mahesh Sharma said, *"We believe it makes little sense to let these hotels run in perpetual losses."* Still, ITDC didn't give it up.

Two years later, in 2017, the then State Tourism Minister R.V. Deshpande told the Karnataka Legislative Assembly that his Ministry would take back Lalitha Mahal Palace Hotel.

Then the State did get back Lalitha Mahal Palace and Mysureans thought we'd finally have an iconic five-star hotel worthy of a royal heritage city like ours.

But alas, it went to Jungle Lodges and Resorts, a State Government body that manages lodges in the jungles, as its name suggests. It had no experience running a luxury hotel or maintaining a heritage structure.

The Government assured us that it was a temporary arrangement and that a more experienced private hotel company would run it soon after the global tender was floated. It didn't happen.

Now this Government has finally decided to act but the Government must choose wisely because Lalitha Mahal is no ordinary structure; it could change the fate of our city's tourism potential.

Lalitha Mahal is not just a building; it's an irreplaceable part of Mysuru's identity. As the city's second-largest royal palace, its revival holds immense potential for tourism and urban branding.

For tourists, staying in a heritage hotel transforms a trip into a journey through time, allowing them to savour the elegance of a bygone era, it's an 'immersive' experience.

This unique blend of history and hospitality elevates a destination's allure, attracting high-net-worth visitors and cultural enthusiasts.

From Jaipur's Rambagh Palace Hotel to Hyderabad's Falaknuma Palace Hotel, cities with well-maintained heritage hotels often enjoy enhanced global visibility.

A fully restored Lalitha Mahal Palace could do the same for Mysuru.

When the Taj Group took over Falaknuma Palace, they spent crores on restoration, transforming it from a crumbling structure into a glittering jewel of Indian heritage. It now serves as both a premier hotel and a symbol of Hyderabad's rich history. Mysuru deserves no less for Lalitha Mahal Palace.

That is why the Government while calling for a global tender to lease Lalitha Mahal Palace, must strongly consider the company's history and expertise in restoring heritage properties.

The Government must also pay attention to the company's financial prowess because it costs a lot of money to restore and renovate a Palace. Just consideration of the financial returns to the Government would be myopic.

When a financially and professionally strong hotel group takes it over, such as Taj, Oberoi or ITC, they will create not only our city's first proper five-star hotel but also sell our city to high-net-worth tourists. This, while making the hotel itself a tourist attraction.

For nearly 50 years, Lalitha Mahal Palace has been waiting for its renaissance and if anyone can break the cycle of inaction in restoring Lalitha Mahal Palace, it has to be Chief Minister Siddaramaiah.

Known for driving projects to completion — be it Mysuru's concrete roads, new Government Colleges, or a modern District Hospital — he has a track record of taking initiatives to their logical end.

Let's hope Siddaramaiah and his Government will succeed where others have failed.

Restoring Lalitha Mahal Palace would not only cement his legacy but also revitalise Mysuru's claim as a royal heritage city.

S.R. Mahesh says he will move Court against Rohini Sindhuri, IAS Officer

Rohini Sindhuri

Mysuru, Nov.30 (BLU&TRR)- Senior JD(S) leader and former Minister S.R. Mahesh, after a long gap, has again raked up the issue of former Deputy Commissioner (DC) of Mysuru Rohini Sindhuri with whom he had a running feud when she was the DC and charged that the IAS lobby is protecting her by stalling probe against her.

The JD(S) leader was speaking to the media at his Office on Ramavilas Road in the city this morning.

"It was hoped that the present State Government led by Siddaramaiah would not shield the corrupt officials but protect honest officials. Unfortunately that has not happened in case of Rohini Sindhuri. I didn't press for action against her then following persuasion by the Assembly Speaker, the CM and the Law Minister. Even now, I don't want her to be punished. But I demand an impartial enquiry into the allegations made by me against her on that day which will prove that she is guilty," said Mahesh.

Senior JD(S) leader and former Minister S.R. Mahesh addressing the press persons in city this morning as former Mayor R. Lingappa, former ZP President C.J. Dwarakish, JD(S) Vice-President Falcon Boregowda and former Corporator SBM Manju look on.

Pointing out that on 17.5.2022, the government had appointed a Committee headed by senior IAS Officer N. Jayaram to probe into the allegations against Rohini Sindhuri, the JD(S) leader said that Jayaram was later replaced with Ravishankar by the State Chief Secretary just a day before his retirement.

"On 9.5.2021, I had written a letter to then CM demanding probe into the Rs.10 crore irregularities (4(g) exemption under the Karnataka Transparency in Public Procurement Act) committed by Rohini Sindhuri in the renovation of Karnataka Bhavan project at Tirumala in Andhra Pradesh and other works," added Mahesh. "Home Minister says that the government will probe all irregularities of the previous government. Why have you not probed allegations against Rohini Sindhuri even though I have given all proof. I appeal to the Chief Secretary of the State to hold an impartial enquiry though I know the probable outcome of the report," said **Mahesh and warned that he will move the Court if proper probe is not conducted with respect to his allegations against the former DC of Mysuru Rohini Sindhuri.**

Mahesh concluded by saying that MLA G.T. Devegowda is a very senior leader of JD(S) and will resolve minor differences with him (Mahesh), if any.

No Police complaint yet

(Continued from page 1)

In what can only be described as outright looting, officials of MUDA — an autonomous Government authority in Mysuru city — have arbitrarily sanctioned sites without the necessary approval from the MUDA Board, benefiting influential individuals, politicians and real estate agents. However, no official complaint has been registered in any Police Station by MUDA to date regarding this matter. It was only because of the RTI activists this massive corruption could come to light.

What is baffling is the deafening silence of MUDA officials, elected representatives, former Chairmen and even the Urban Development Minister. **While MUDA officials are known to file Police complaints over minor issues, their refusal to take any legal action regarding this multi-crore scam that has occurred in their own organisation has raised significant suspicions.**

Even after the scam came to light, a MUDA Board meeting was convened — but no mention of filing a Police complaint or holding those who committed the illegality legally accountable.

Ironically, the same meeting saw members passionately advocating for MUDA to take back the sites allocated under the dubious 50:50 scheme. Such enthusiasm begs the question: Why is this zeal missing when it comes to prosecuting those behind the multi-crore looting?

Finally, it was decided to reclaim the illegally allocated sites only after Justice P.N. Desai's inquiry report was submitted to the Government. MUDA members unanimously agreed to surrender these sites to MUDA, tacitly acknowledging the illegality of their distribution.

Yet, despite this admission, no steps have been taken to file complaints or enforce legal measures against the culprits who plundered MUDA's property.

This silence cannot be attributed to ignorance of the law. **Most of the members of the MUDA Board are seasoned Legislators (lawmakers in the Legislative Assembly and Legislative Council), fully aware that the illegal transfer of MUDA properties to private hands constitutes a criminal act.** Their reluctance to press charges or ensure punishment for those responsible raises serious concerns about their commitment to accountability.

Conscious citizens are left questioning the motives behind this silence. Why are those tasked with upholding the law unwilling to act decisively against blatant corruption? And what is the reason for their silence?

As another MUDA meeting is scheduled for today (Nov. 30), the public is left waiting to see if this will finally result in meaningful decisions or will merely add to the long list of missed opportunities for justice.

Cooch Behar Trophy-2024

Karnataka crush Odisha by an innings and 54 runs

Mysuru, Nov. 30 (VNS) - The visiting Odisha suffered an innings and 54 runs defeat against hosts Karnataka in the Cooch Behar Trophy match held at SDNR Wadiyar Stadium at Manasagangothri, here this afternoon.

Odisha, chasing the first innings score of 308 runs posted by Karnataka were bundled out for 147 runs in 62.5 overs and were asked to follow on. In the second innings Karnataka bowlers continued to dominate as Odisha was bowled out for 107 runs in 54 overs, suffering an innings and 54 runs defeat.

For Karnataka, Siddharth Akhil picked up a five-wicket haul giving away just 27 runs in 12 overs and in the first innings, Pranav Ashwath had also picked up five wickets giving away 24 runs in 12 overs. Skipper Dheeraj Gowda also picked up three wickets in 19.5 overs giving away 40 runs.

Earlier, having asked to bat first, Karnataka posted a competitive score of 308 runs losing all their wickets in 95.5 overs. Opener S. Gagan Rao (61 runs), Shivam Singh (49 runs), Manikanth Shivanand (49 runs), Dheeraj Gowda (49 runs) and Siddharth Akhil (33 runs) contributed to the team score. For Odisha, Sayed Tufayl Ahmad ended up with figures of 4 for 44 in 21 overs.

Chasing Karnataka's first innings score of 308 runs, Odisha fell short by 161 runs as they were bundled out for 147 62.5 overs as were asked to follow on. The visitors did not fare well in their second innings as well, as they were bowled out for 107 runs in 54 overs, much lower to their first innings score. Prayan Prantik Samal (26 runs) topped scored for Odisha and was followed by Ayush Sutar (21 runs) and Sambit K. Beja (19 runs).

Brief Score: (I innings) Karnataka 308 all out in 95.5 overs (Gagan Rao 61, Shivam Singh 49, Manikanth 49, Dheeraj Gowda 49, Siddharth Akhil 33; Sayed Tufayl Ahmed 4 for 44), Odisha 147 all out in 62.5 overs (Prayan Prantik 26 runs, Ayush Sutar 21 runs; Pranav Ashwath 5 for 24, Dheeraj Gowda 3 for 40); **Following On: Odisha II Innings:** Odisha 107 all out in 54 overs (Prayan 26, Ayush 21; Siddharth Akhil 5 for 27, Gaurov Shanbhag 2 for 19).

High-end Neuro Navigation Machine installed at Narayana Hospital in city

Seen are** (from left) **Pavan Kumar, Facility Director; Dr. Goutham Cugati, Consultant Neurosurgeon; Dr. A.H. Harsha, Consultant Neurosurgeon and Dr. Abhishek Cugati, Associate Neurosurgeon, during the installation of Neuro Navigation Machine at Narayana Hospital, Mysuru, recently.

Mysuru, Nov. 30- Narayana Hospital, Mysuru, has installed a high-end Neuro Navigation Machine, the only hospital in Mysuru to offer this advanced technology.

This cutting-edge system enhances precision and safety in neurosurgical procedures, giving patients access to one of the most sophisticated medical navigation tools available.

The Neuro Navigation Machine is an advanced medical imaging and navigation tool used primarily in neurosurgery. It helps surgeons perform highly precise and minimally invasive brain and spine surgeries by guiding them in real time through a 3D image map of the patient's brain or spine. This means more accurate and safer surgeries, especially in complex cases involving sensitive brain or spinal regions.

KEY FEATURES

High-Resolution Display: Equipped with a 24-inch widescreen monitor, the system provides clear and detailed imaging, ensuring surgeons have a comprehensive view during complex procedures.

Integration with Intraoperative Imaging: Seamlessly interfacing with advanced imaging systems, including intraoperative MRI, CT, C-arms, and advanced 3D imaging, the system supports various surgical scenarios and ensures accurate, real-time updates during surgery.

State-of-the-Art Tracking Options: This system utilises advanced optical navigation and electromagnetic tracking, offering flexible options that allow surgeons to navigate each procedure with precision tailored to each patient's unique needs.

Access to Pre-Operative Data: With direct access to pre-operative imaging through the hospital network, surgeons can retrieve, view and utilise past diagnostic exams to further improve surgical planning and outcomes.

While explaining about the advanced features and benefits of the machine, Dr. Goutham Cugati, Consultant Neurosurgeon, Narayana Hospital, Mysuru, stated: "This advanced Neuro Navigation system allows us to perform complex brain and spine surgeries with greater precision and safety. The real-time, high-resolution imaging ensures that we can make informed decisions during surgery, minimising risks and improving outcomes for our patients."

Dr. M.N. Ravi, Clinical Director, Narayana Hospital, Mysuru, added: "The installation of this state-of-the-art Neuro Navigation Machine marks a significant step forward in the quality of care we provide at Narayana Hospital."

Dr. A.H. Harsha, Consultant Neurosurgeon, Narayana Hospital, Mysuru, said: "This machine is a valuable addition that will make a real difference in the care we deliver to our patients."

WORD OF THE DAY

Victuals

Pronunciation: VIT-ulz (noun plural).
Meaning: Victuals is a word with an old-fashioned feel that refers to food, and sometimes to both food and drink.
Origin: In the introduction to her 2016 cookbook Victuals, writer Ronni Lundy remarks on the (to some) unusual divergence between how her book's title is spelled and how it is pronounced: "Say it the way my people have for centuries: vidls. ... Maybe you thought saying it that way was wrong. But look up that word in your dictionary. It turns out my people, the people of the southern Appalachian Mountains, have been right about victuals all along." Victuals refers to supplies of usually prepared foods (rather than raw ingredients) and comes from the Late Latin word victualia meaning "provisions," and ultimately from Latin vivere, "to live." It went through French before it came into English, and the pronunciation VIT-ulz was presumably established based on the French spelling vitaille before the spelling was changed to better reflect the Latin root of the word.
Example: "May in Atlanta brings refreshing cocktails, meals on the patio & Cinco de Mayo festivities. The holiday, which celebrates the Mexican army's victory over France at 1862 Battle of Puebla, offers perfect occasion to appreciate Mexican-American culture & all the great victuals associated with it." — Olivia Wakim, The Atlanta Journal-Constitution, 22 Apr. 2024.

Cunning; sly.

PHRASE OF THE DAY

Use your loaf

Meaning: To use one's common sense; an expression used to tell someone to use their brain more.
Origin: The phrase to 'Use your loaf' is derived from the cockney rhyming slang for head which is loaf of bread. It is a phrase that is commonly used in the United Kingdom and Australia. Loaf originated in England, around the 13th century. Loading about, means the following " waste time, spend time doing little or nothing". In World War One, Territorial forces would stick a loaf of bread out of their trenches to see if the snipers are still around.
Example: You have to start using your loaf if you want to pass your exams. "Is it so hard to use your loaf and understand what this situation means for your brother?"

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
